

National Chaplain Report

Rev. Msgr. Edward J. Coyle
National Chaplain
Board Report May 2018

In March I spoke at the celebration of Maryland Days at the St. Clement Island Museum on the Eastern shore of Maryland. As part of my talk I promoted our organization and its' programs.

I received numerous nominations for those members eligible for the Honor Legion of the Order of St. Sebastian. Three names have been submitted to National for their approval. Only three members are permitted to receive the award each year.

I will not be attending the Board meeting in May due to my parish school's Middle States evaluation taking place the same week as the board meeting. Also, Saturday is our parish's First Communion and there are activities this week.
