MEMORANDUM

Summer 2018

FROM: National 2nd Vice Commander Ben Nunez

TO: All Members

RE: Payment of Dues

I'd like to remind all Department and Post Commanders that membership dues are coming up for 2018-2019 year. Please start sending reminder post cards or calling current members and delinquent members to pay their dues by the end of September 2018.

There is a reason that I am sending this message to the membership now: some of our more "seasoned" members depend on their monthly retirement check and some have a tough time getting their dues paid on time. This early notice will remind these members that they have two months to save up, July and August, and get dues paid.

Commanders and 2nd Vice Commanders - make dues payments easy for both you and members – use the new billing envelopes offered at the Online Store. Use it to remind members that dues are due and the member can use it as a return envelope. Go to this link to check it out - <http://cwv-store.org/shop/item.aspx?itemid=260>.

I wanted to mention to National, Department, and Post members that if you intend to run for any Officers position, please ensure that your dues are paid or are a Life Member. I know that the Departments have already had their election, but we can still check their status. Departments- please submit a roster of your newly elected Officers to National Headquarters.

At our National CWV Convention the membership will be electing candidates who wish to run for National office. The Registration & Credentials Committee will be available during the Convention to receive Delegates fees. Please make sure that when selecting a delegate, that their dues are current.

Thank you for your attention to renewing your members on time!
