To All Post Commanders and Auxiliary Presidents and officers,
Due to the COVID-19 virus, limitations and guidelines set forth by the Federal, State and Local governments, our Catholic War Veterans Executive Board Meeting has been rescheduled to June 18, 19, & 20th.

Given the current situation, it is hereby directed (or proposed) that all units submit their changes to the Resolution and By-Laws, or Constitution, Scholarship Applications, and National Awards (i.e. St. Sebastian, Veteran of Year etc) to:

CWV National Headquarters
237-20 92nd Rd.
Bellerose, NY 11426

Because of the current COVID-19 virus mandatory non-essential business closing in New York, HQ is closed so please do not mail anything to HQ until May 13, 2020. In the meantime, you can email your proposals or application to admin@cwv.org. All proposals or applications must be received at HQ no later than June 12, 2020.

This date is earlier than the official required 45 day lead time, but the additional week will allow the National HQ office staff time to package and mail the information to all units so its delivered to them prior to the start of the board meetings on June 18th.

This change is only applicable this year because of the COVID-19 virus.
